

## Uniformbooks

Uniformbooks was started in 2011 as an imprint for the visual and literary arts, cultural geography and history, music and bibliographic studies; by the end of 2023 thirty-eight titles had been published. The printed quarterly *Uniformmagazine* ran to ten issues, from 2014 to 2017, gathering contributions by the writers and artists we were working with, as well as slighter or singular content.

32pp, 215 x 145, offset in two colours on recycled cartridge—the masthead colour also used inside for the centre-spread, pamphlet; five hundred copies of each issue, Uniformbooks, Axminster, 2014–17.
